One of the shooting fatalities was a 24-year-old man shot "near the back of a home" located "in the 6600 block of South Kenwood Avenue." He was taken to a hospital and pronounced dead.

The second shooting fatality resulted from an altercation between a 38-year-old man and a 44-year-old man "near a business in West Humboldt Park."

Maybe the residents just dont understand what the SHOT mandate actually is and understandably are resistant to getting a shot

Well said. If she even half a damn that even just Breitbart News gives, things could be
different. But she does not care because those are predominately in gang land areas and
she is fine with that.

Be interesting to see for the year the percentages of blacks, whites. Asians, and hispanics that were involved in these shootings.....because there must not be any blacks involved for the simple reason that Sharpton nor Jackson nor any of the BLM crowd is saying anything about any of these shootings.....even when it is a CHILD!!!
